Windom Area Hospital operates under a point preference system which awards points to qualified veterans to supplement their application. Five (5) points are granted to non-disabled veterans on open competitive examinations; ten (10) points are added if the veteran has a service connected compensable disability as certified by the U.S. Department of Veterans Affairs (USDVA).

To qualify for preference for a **competitive exam**, you must have been separated under honorable conditions from any branch of the armed forces of the United States after having served on active duty for 181 consecutive days, or by reason of disability incurred while serving on active duty, or after having served the full period called or ordered for federal active duty

and be a United States citizen or resident alien. Veteran's preference may be used by the surviving spouse of a deceased veteran who died on active duty, and by the spouse of a disabled veteran who is unable to qualify because of the disability.

To qualify for preference on a **promotional exam**, a veteran must have received a USDVA active duty service connected disability rating of 50% or more. For a promotional exam, a qualified disabled veteran is entitled to be granted 5 points. Disabled veterans eligible for such preference may use the 5 points preference only for the first promotion after securing employment at Windom Area Hospital.

Claims must be made on the form below and submitted with your application by the application deadline of the position for which you are applying. If your DD214 is submitted to our office separate from this sheet, please attach a note with it indicating the position for which you are applying and your present address.

The veteran must:

- a) be a U.S. citizen or resident alien,
- b) have received a discharge under honorable conditions from any branch of the U.S. Armed Forces; AND have either
 - i. served on active duty for at least 181 consecutive days, or
 - ii. have been discharged by reason of service connected disability, or
 - iii. have completed the minimum active duty requirement of federal law, as defined by CFR title 38, section 3.12a, i.e., having fulfilled the full period for which a person was called or ordered to active duty by the United States President, or
 - iv. certified service and verification of "veteran status" granted under U.S. PL 95-202.
